

FEATURE	DESCRIPTION	INTEGRATED	OPTIONAL
Data & Indicators	On-site time series and event data	<input checked="" type="checkbox"/>	
	Integration of additional sensors and meters	<input checked="" type="checkbox"/>	
	3E's high-granularity satellite irradiation data	<input checked="" type="checkbox"/>	
	Meteorological data	<input checked="" type="checkbox"/>	
	SynaptiQ Digital Twin Physical Model	<input checked="" type="checkbox"/>	
	System KPI's for performance assessment	<input checked="" type="checkbox"/>	
	Business plan, income & CO2	<input checked="" type="checkbox"/>	
	Customizable reference indicators		<input checked="" type="checkbox"/>
	3E's forecasting data		<input checked="" type="checkbox"/>
Advanced alarm management	Near real-time alarms	<input checked="" type="checkbox"/>	
	Intelligent performance alarms	<input checked="" type="checkbox"/>	
	Portfolio wide alarm customization	<input checked="" type="checkbox"/>	
	Alarm workflow and smart aggregation	<input checked="" type="checkbox"/>	
	Alarm notification by mail or SMS	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	Definition of exclusion periods	<input checked="" type="checkbox"/>	
Dashboards & analysis	Near real-time control room views	<input checked="" type="checkbox"/>	
	Predefined analysis views defined by PV experts	<input checked="" type="checkbox"/>	
	On-the-fly advanced analysis and benchmarking	<input checked="" type="checkbox"/>	
	Customizable views & dashboards	<input checked="" type="checkbox"/>	
Task management	Preventive maintenance planning	<input checked="" type="checkbox"/>	
	Corrective maintenance planning linked to alarms and assets	<input checked="" type="checkbox"/>	
	Customizable checklists		<input checked="" type="checkbox"/>
	Maintenance reporting and statistics	<input checked="" type="checkbox"/>	
	Integration with external Field Service Management software		<input checked="" type="checkbox"/>
Asset management	Customizable asset properties and asset management planning	<input checked="" type="checkbox"/>	
	Document store for assets and tasks	<input checked="" type="checkbox"/>	
	Integration with external accounting, ERP, power market exchange		<input checked="" type="checkbox"/>
	SynaptiQ Smartdoc advanced document management and tagging		<input checked="" type="checkbox"/>
Reporting	SynaptiQ Datawarehouse	<input checked="" type="checkbox"/>	
	FlexiReport MS Excel templates	<input checked="" type="checkbox"/>	
	FlexiReport MS PowerBI templates	<input checked="" type="checkbox"/>	
	SynaptiQ Datawarehouse Expert		<input checked="" type="checkbox"/>
Tools	SynaptiQ Configurator	<input checked="" type="checkbox"/>	
	SynaptiQ User management	<input checked="" type="checkbox"/>	
	SynaptiQ Marketing Dashboard templates	<input checked="" type="checkbox"/>
